1

The “pinox” sets special highlights and represents a functional and accomplished thermostat. The lever facilitates an easy and precise temperature setting. The “pinox” was awarded numerous design prizes.

The “pinox” is recommended for the modern living room design, especially in combination with the “Series E” radiator valve programme or the “Multiblock T/TF” connection fittings.

- 1 “pinox” thermostat, chrome plated (front and side view – original size)
- 2 “pinox” thermostat with angle pattern valve of the “Series E”, chrome plated
- 3 “pinox” thermostat and connection fitting “Multiblock T”, angle pattern, chrome plated
- 4 “pinox” thermostat and connection fitting “Multiblock T”, angle pattern, white
